May 2023

Group Cycle: Take the ride of your life; dim lights, great music and a private atmosphere sets the stage for our Cycling classes. Jumping, sprinting, jogging, hovering... sound like fun? Our instructors will lead you on a fun, motivated and energetic ride while still being appropriate for all fitness levels.

Pedal & Pump: Fusion of circuit and cycle.

Circuit Challenge: Bring your body to the next level with this circuit class. Little to no resting, heart rate stays at a cardiovascular level. Workout while incorporating weights and plyometrics. Take your workouts from "Good" to "Great".

Shape and Sculpt: Maximize the sculpting effect. Increase strength, endurance and flexibility using your own resistance. See the results 45 minutes can give you.

Beyond Sets & Reps: Get ready for a fat burning, muscle building workout. Work with a bench, weights, tubing & a mat for cardio & weightlifting.

SilverSneakers @: Classic: Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball offered for resistance, and a chair is used for seated and/or standing support.

Instructor's Choice: This class is 45 minutes of different class formats. It could be a circuit class, cardio, weights, intervals or even bootcamp. Get a great over all workout and something different every week.

Kickboxing: Feel Empowered! You will learn how to kick and punch your way to lower body fat, with leaner, stronger and more defined muscles. Using our self-standing kickboxing bags, the instructor will lead you through a workout that you will love and keep you coming back for more. May include a circuit.

Yoga: This gentle yoga will help you relax, stretch, and make the mind body connection you are looking for. Done at your own level with modifications.
